A photograph showing three individuals in a park setting, likely捡垃圾 (picking up trash). On the left, a man in a dark jacket and mask holds a large clear plastic bag filled with trash. In the center, another man in a dark jacket and mask is crouching, holding a small object. On the right, a young person in a dark jacket with 'MAD' text and a mask is also crouching, holding a small object. They are all wearing gloves. The ground is covered in fallen autumn leaves.

A group of approximately ten people, mostly women and children, are standing outdoors on a paved path covered with fallen leaves. They are all facing away from the camera, looking towards a stone wall with a green sign. The sign has white Korean characters that read "한국도로연수박물관" (Korean Road Research Institute Museum). The people are dressed in various winter attire, including puffy jackets, hoodies, and caps. Some individuals are wearing face masks. The scene is set in a sunny, outdoor environment.
